**SUBJECT:** **NOTICE OF MOTION - MARCH**  
**DATE:** March 17, 2022

### Explanation:

During the 2021 Annual Retreat, the incoming Board conducted strategy sessions to identify key goals for the 2021/2022 term. The association executive identified 5 priorities to strengthen the association's organisational foundation, increase operational capacity, and enhance student life. These priorities were presented to the university on January 12, 2022 when the association and the university held a joint meeting of the executives.

Since then, RRUSA's executive committee has further explored these priorities and formalised them in the form of an annual operating plan. The annual operating plan will guide day-to-day decisions and also be used for evaluating progress and changing approaches when moving forward.
